

BELEM

BELEM

Belem is a collection of modern bar stools that will fit in perfectly both in residential spaces and commercial areas such as hotels, restaurants and other food venues, and offices.

The stools are offered in two heights. The well-contoured comfortable seat is available in solid oak wooden and soft upholstered versions.

The steel base and the rims are available in a wide selection of colours from Noti's colour chart. There is also an option of combining different colours for the base and rim.

BELEM

Base

Painted steel legs, steel rim — option to combine colours

Seat

Painted oak wood or upholstered PU foam
